I-CAR ANNOUNCES GOLD CLASS FOR CRANBOURNE BODY WORKS

I-CAR Australia Gold Class Coordinator Gary Wood today announced that Cranbourne Body Works in Cranbourne, Victoria has been awarded the prestigious I-CAR Gold Class Collision status.

“Cranbourne Body Works entered the Road to Gold program as part of the Holden Certified Collision Repairer program. The commitment and dedication to the training schedule from the entire team has been first class and they fully deserve to be recognised as a Gold Class facility.

Achieving this accreditation highlights Cranbourne Body Works’ attitude toward ongoing training for all staff members that ensures a high level of quality and safety on every repair. Well done to everyone involved” said Mr Wood.

“We are very proud of our staff’s commitment and positive approach to undertaking I-CAR training. Their hard work and dedication reinforces our company belief in keeping up with the technological advancements and delivering safe quality repairs.

Partnering with I-CAR has given us the confidence to meet the many changes within the industry to ensure we are prepared for the future. The process has established a culture of continuous learning and the team at Cranbourne Body Works is ready to meet the future head on” explained Managing Director, Kevin Slattery.

I-CAR, founded in 1979, is an international, not-for-profit, training organization dedicated to improving the quality, safety and efficiency of auto collision repair for the ultimate benefit of the consumer.
