I-CAR ANNOUNCES GOLD CLASS FOR GEELONG COLLISION CARE

I-CAR Australia Gold Class Coordinator Gary Wood today announced that Geelong Collision Care in North Geelong, Victoria has been awarded the prestigious I-CAR Gold Class Collision status.

“We at Geelong Collision Care are so proud to have achieved I-CAR Gold Class, our team always strives to excel when it comes to Auto Body repairs. I would like to thank the team at Geelong Collision Care for their dedication, effort and working with us to obtain I-CAR Gold Class.

I-CAR have been able to deliver us invaluable knowledge through their training and on-line platforms that is second to none. We look forward to continuing our great relationship and doing many more courses over the years to come,” explained Mark Clarke.

“In recent years, Mark has been a regular participant in I-CAR training events. In July this year, he contacted us to ask what the requirements would be for the business to achieve Gold Class. Building onto their existing training, they were able to complete the additional requirements within two months of Mark’s enquiry which was a tremendous effort by the entire team.

Their attitude and enthusiasm towards the training has been first class and they fully deserve this recognition. Congratulations from everyone at I-CAR Australia,” said Mr Wood.

I-CAR, founded in 1979, is an international, not-for-profit, training organization dedicated to improving the quality, safety and efficiency of auto collision repair for the ultimate benefit of the consumer.
