I-CAR ANNOUNCES GOLD CLASS FOR ABBOTSFORD BODY REPAIRS

I-CAR Australia Gold Class Coordinator Gary Wood today announced that Abbotsford Body Repairs in Abbotsford, Victoria has been awarded the prestigious I-CAR Gold Class Collision status.

“Abbotsford Body Repairs have been involved with I-CAR training over the last seven years, having always strived to ensure our staff are trained appropriately to repair vehicles back to OEM specifications.

The team at I-CAR have been invaluable in helping us complete the courses and to achieve I-CAR Gold status. We look forward to continuing our relationship into the future and ensuring our customer’s vehicles are repaired to the highest and safest standard,” explained business owner Lucky Patsiotis.

“With Abbotsford Body Repairs being a long term and valued supporter of I-CAR, we were delighted to see them achieve the Gold Class accreditation. They join the growing number of businesses that have recognised the benefits of regular training, not only for their staff members, but also their customers and the entire business. The Gold Class accreditation places them in a very strong position to overcome the challenges presented by the ever evolving body repair industry in 2021.

Great work to everyone involved,” said Mr Wood.

I-CAR, founded in 1979, is an international, not-for-profit, training organization dedicated to improving the quality, safety and efficiency of auto collision repair for the ultimate benefit of the consumer.
