I-CAR ANNOUNCES GOLD CLASS FOR KARAS SMASH REPAIRS DAPTO PTY LTD

I-CAR Australia is pleased to announce today that Karas Smash Repairs Dapto Pty Ltd has been awarded the prestigious I-CAR Gold Class Collision status.

“With the way the industry is going with all the new cars, you have to be up to date at all times and I-CAR’s Road to Gold program allowed us to build and keep up with the new knowledge. We found the whole experience easy to implement, understand and utilise in our workshop. We would recommend all repairers to give the program a try.

The Virtual Classroom delivery option made it easy to work around and schedule training with work in the shop. We also took advantage of Glasurit training from our paint supplier BASF for our refinisher. In the future, we will keep an eye out for potential training opportunities from our suppliers Car-O-Liner and 3M too,” Dimitrija Voidanoski, director of Karas Smash Repairs Dapto Pty Ltd outlined.

Karas Smash Repairs Dapto Pty Ltd is located in Dapto, NSW and is part of the Suncorp Insurance Repairer Network. It is wonderful to see Karas Smash Repairs Dapto Pty Ltd achieve Gold Class status.

The business became an I-CAR member in September 2020 and joined the Road to Gold Review program. After 6 months of familiarisation, Karas Smash Repairs Dapto Pty Ltd sped up their training in April 2021 to achieve Gold Class in 2022.

Karas Smash Repairs Dapto Pty Ltd’s attitude and dedication towards training since joining the program has been first class. Their staff members have embraced and enjoyed the training which has developed their knowledge and understanding of modern vehicle repair.

Congratulations to all involved!
